STUDENT'S RIGHT TO CANCEL

You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time, and you have the right to receive a pro rata refund if you have completed less than 60 percent of the scheduled days in the current payment period in your program through the last day of attendance.

Cancellation shall occur when you give written or verbal notice of cancellation at the address of the school shown on the top of the first page of the Enrollment Agreement. You can do this by mail, or hand delivery. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. Verbal notice of cancellation is effective when the student notifies the Chief Onsite Administrator and is recorded in the student file on the date of the verbal cancellation request.

The written and/ or verbal notice of cancellation need not take any particular form and, however expressed, is effective if it shows that you no longer wish to be bound by the Enrollment Agreement. You can use any written or verbal notice that you wish.

The School shall have a refund policy for the return of unearned institutional charges if the student cancels an Enrollment Agreement or withdraws during a period of attendance. If the Enrollment Agreement is cancelled within seven days from enrollment, the school will refund the student all monies paid, less an application or administration fee, not to exceed \$50 within forty-five (45) days after the notice of cancellation is received.

THREE DAY CANCELLATION POLICY

Applicants who have not visited the Institute prior to enrollment may withdraw without penalty within three business days following either the regularly scheduled orientation procedures or following a tour of the facilities and inspection of equipment where training and services are provided. All monies paid by an applicant must be refunded if requested within three (3) days after signing an enrollment agreement and making an initial payment. A refund will be issued within forty-five (45) days of the cancellation date. An applicant requesting cancellation more than three

(3) days after signing an enrollment and making an initial payment, but prior to entering the Institute, is entitled to a refund of all monies paid, minus the \$50 application fee.

Withdrawal from the School

You may withdraw from the school at any time after the cancellation period (described above) and receive a pro rata refund for the current term if you have completed less than 60 percent of the scheduled days through the last day of attendance in that term. The refund will be less an application fee, not to exceed \$50, and less any deduction for equipment not returned in good condition, within forty-five (45) days of withdrawal. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

For the purpose of determining a refund under this section, a student shall be deemed to have officially or unofficially withdrawn from a program of instruction when any of the following occurs:

1. The student notifies the School of the student's withdrawal (official, voluntary withdrawal).
2. The School terminates the student's enrollment for failure to maintain satisfactory progress, failure to abide by the rules and regulations of the institution, absences in excess of maximum set forth by the institution, and/or failure to meet financial obligations to the school (official, involuntary withdrawal).
3. The student has failed to attend classes for 14 consecutive calendar days (unofficial, involuntary withdrawal).
4. The student fails to return from a leave of absence (unofficial, involuntary withdrawal).

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. For the purpose of determining when the refund must be paid, the student's date of determination will be no later than 14 consecutive days from the student's last day of attendance.

The refund shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you have not received but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid.

Example: If the student completes only 20 hours of a 4-quarter unit (40

hours) course and paid \$1,000.00 tuition, the student would receive a refund of \$500.00.

$$\begin{array}{r} \$1000 - (\$1000 \times \frac{20 \text{ hours (Hours of instruction received)}}{40 \text{ hours (Hours of instruction paid)}}) \\ \text{-----} \\ = \$500.00 \text{ (Amount of refund)} \end{array}$$

No refund will be issued unless the student's account has credit balance. Refunds will be processed within forty-five (45) days from receipt of the student's request to the Registrar.
